HILL IS SEEKING **GATEWAY TO UTAH**

Representative of Great Northern Interests Negotiating for Ogden Road.

OPTION IS ALREADY GIVEN

PARTY IN NEW YORK READY TO CLOSE DEAL.

What will undoubtedly result in one west since the Harriman interests purchased the Salt Lake street car system is the proposed sale of the Ogwest since the Harriman interests purchased the Salt Lake street car system, is the proposed sale of the Ogden Rapid Transit company to a syndicate of eastern capitalists who are said to be headed by the Hill interests. The sale price is named at \$1,000,090.

A representative of James J. Hill has been conducting the negotiations from the Ogden end and recently two officials of the Ogden company and an Ogden attorney went to New York to consummate the deal. Just when the transfer will take place is not known. consummate the deal. Just when the transfer will take place is not known, but it is a certainty that an option has already been given and that the property wil be bought at the expiration of the time named in that instru-

ment.

The Ogden Rapid Transit lines include franchises through the important streets of Ogden, a line past the Hermitage in Ogden canyon, a right of way through the canyon to Huntsville, a new line to Plain City and a line to the Utah Hot Springs, ten miles north of Ogden. In all, there is over 100 miles of trackage and right of way.

The company is known as Eccles property, David Eccles owning a majority of the stock. It has recently been improved and considerable money has been spent upon it with the sale in view. The new line to Plain City has recently been finished and the extension up Ogden canyon to Huntsville is still in progress.

is still in progress. In the new plans of the company, begun some time ago and still in process of completion, an extension was contemplated from Hot Springs to Brigham City, right of way franchises already having been procured from the Box Elder county commissioners and from the trustees in the village of Willard. It is understood that the street car system arranged by the Eccles interests in Logan, the capital of Cache county, is not included in the new deal.

Hot Springs May Go.

As a bonus for the sale of the street as a bonus for the sale of the street car system, the Eccles interests have offered the property at Utah Hot Springs, consisting of hot water springs, a hotel, dance pavilion and 240 acres of land, only a small fraction of which is fertile. Some delay has been which is fertile. Some delay has been caused in the negotiations because of the fact that the Oregon Short Line and the Ogden Hot Springs Sanitarium company are involved in litigation over alleged encroachments of the hotel property on the railread right of way. There is also a suit involving title to the three hot springs, brought by C. M. Clay, and which is now awaiting C. M. Clay, and which is now awaiting adjudication at the hands of Judge

Howell.
W. M. Mowbray, auditor of the Og-den Rapid Transit company; Judge Horn of Ogden and a personal repre-sentative of David Eccles have been in New York for some time. The re-cent withdrawal of the Utah Hot Springs property from the market, where it has been for about a year,

accompanied with chronic inflamma-mation, from the mucous membrane. Hood's Sarsaparilla acts on the mu-cous membrane through the blood, re-duces inflammation, establishes healthy action and radically cures all cases. and radically cures all cases
